Position Title:	**Director, Occupational Health**
Employer:	**Hoag Memorial Hospital Presbyterian**
Location:	**Newport Beach, CA**

Hoag is seeking a Director of Occupational Health to oversee Employee Health Services across our entire care delivery network. The Hoag network extends across Orange County, California, and includes two acute-care hospitals, nine health centers, and 14 urgent care centers.

The Director of Occupational Health's primary role is for strategic planning and development of goals, programs, and services into meaningful objectives by; organizing, directing and integrating the activities of the Employee Health Services (EHS) staff, with technology and other resources to accomplish the work. The Director has oversight and responsibility for assuring Hoag is in compliance with the California Division of Workers' Compensation (DWC) laws, Cal-OSHA standards, CDC recommendations, Title 22, California Department of Public Health, and all other entities that have requirements for keeping healthcare workers free from communicable diseases and safe in the workplace. This position builds partnerships across the entire organization with physicians, volunteers, leaders and employees. The Director is responsible for maintaining productivity, prepares and executes department budgets, manages staffing, training and mentors the EHS staff

Education and Experience

Required:

- **Bachelor's degree in related field or equivalent work experience.**
- **Minimum of 5-10 years' as a people leader within an Occupational Health department.**

Preferred:

- **Working knowledge of self-insured workers' compensation program, experience working with a TPA.**
- **Experience in a multi-hospital or large healthcare system.**
- **Experience implementing and adhering to regulatory guidance including Title 22, CalOSHA, CDC, CDPH, DNV and/or JCAO.**
- **Able to identify human behaviors which result in positive health outcomes.**

Licenses Preferred

- **Registered Nurse (RN) with current California license in good standing**

Certifications Preferred

- **BLS certificate**
- **Certified in Occupational Health Nursing or Occupational Case Management**
