Post a position for a Certified Occupational Health Nurse

| | |
|--|---|
| Position Title: | Registered Nurse for Employee Injury Compensation Office |
| Employer: | VA North Texas Health Care System |
| City and State or Location: | Dallas, Texas |
| Position Description: The position description <u>must</u>: 1. Be 300 words or less 2. Prefer or require that an applicant hold the: Certified Occupational Health Nurse credential (COHN) Certified Occupational Health Nurse-Specialist credential (COHN-S) | The VA North Texas Health Care System is an integrated health care system dedicated to the care of our nation's heroes. Come join our team! We are currently recruiting for a Registered Nurse for our Employee Injury Compensation Office. Work involves interpreting physician examinations and laboratory reports, assessing the impact of health hazard information from the worksite, assessing bills for medications to determine if the medication is appropriate for the condition accepted, etc. The employee will need to communicate with internal and external physician groups to clarify medical conditions and help formulate appropriate work restrictions and accommodations. Work requires making decisions concerning the interpretation and use of data as well as planning and refining methods. The incumbent will initiate change based on research, sound judgment and a clear understanding of guidelines and policies of Human Resources Management Service, Department of Veterans Affairs rules and regulations, and the Federal Employee's Compensation Act (FECA). A Masters Degree in Public Health is a plus as well as Certification in Occupational Health (COHN). |
