

Position Title:	Occupational Health Nurse
Employer:	Cancer Treatment Centers of America
Location:	Arizona
Position Description:	<p>Cancer Treatment Centers of America® (CTCA®) – Goodyear, Arizona.</p> <p>Cancer Treatment Centers of America® (CTCA®) takes a unique and integrative approach to cancer care. Our patient-centered care model is founded on a commitment to personalized medicine, tailoring a combination of treatments to the needs of each individual patient. At the same time, we support patients' quality of life by offering therapies designed to help them manage the side effects of treatment, addressing their physical, spiritual and emotional needs, so they are better able to stay on their treatment regimens and get back to life. At the core of our whole-person approach is what we call the Mother Standard® of care, so named because it requires that we treat our patients, and one another, like we would want our loved ones to be treated. This innovative approach has earned our hospitals a Best Place to Work distinction and numerous accreditations.</p> <p>The Occupational Health Practitioner is responsible for the coordination and implementation of the Employee Health Program and, as such, is responsible for stakeholder and facility compliance and adherence to local, state and federal regulations.</p> <p>Job Duties Summary:</p> <ul style="list-style-type: none"> •Responsible for the coordination and implementation of the Employee Health Program and, as such, is responsible for stakeholder and facility compliance and adherence to local, state and federal regulations. •Implements program goals and policies that have been established for employee health.
