**Position Description:**
Seattle Cancer Care Alliance (SCCA) brings together the leading research teams and cancer specialists of Fred Hutch, Seattle Children’s, and UW Medicine. One extraordinary group whose sole mission is the pursuit of better, longer, richer lives for our patients. SCCA’s purpose is to provide state-of-the-art, patient and family centered care; support the conduct of cancer clinical research and education; enhance access to improved cancer interventions; and advance the standard of cancer care regionally and beyond.

The Safety & Emergency Preparedness Department at SCCA provides a comprehensive program including: Employee Health & Safety, Fire & Life Safety, Environmental Health & Safety, and Emergency Preparedness.

The Employee Health Nurse Manager leads the Employee Health & Safety team in maintaining a health program that ensures a safe and healthy work environment for SCCA staff and affiliates across all SCCA locations. This includes supporting employee health initiatives, implementation and administration of ongoing employee health programs, and managing employee health department projects. Partner heavily with internal departments including HR, Infection Prevention, Risk, Materials Management, and Facilities.

**Minimum qualifications:**

- Bachelor of Science in Nursing
- Current Washington State nursing license
- Current BLS AHA Health Provider Card (or equivalent course, such as by the American Red Cross) and renewal required every two years
- One year or more experience as an Employee Health or Occupational Health Nurse
- Certified Occupational Health Nurse (COHN) or Certified Occupational Health Nurse - Specialist (COHN-S) certification from the American Board of Occupational Health Nursing (ABOHN)
- Excellent customer service and interpersonal skills
- Effective written and oral communication skills
